### **NEVADA STATE BOARD OF MEDICAL EXAMINERS EMERGENCY MEETING**

At an emergency Board meeting on December 28, 2004, the Nevada State Board of Medical Examiners summarily suspended the medical license of Las Vegas physician, David Glenn Evans, M.D.

A complaint was filed against Evans, charging him with bringing the medical profession into disrepute by being arrested on numerous counts of sexual offenses involving one or more minors, and that any continued medical practice during the pendency of time necessary for a hearing on the Complaint would unjustly and unduly endanger the health, safety and welfare of his patients and the public in the state of Nevada. Evans was a resident in the Pediatric medicine program at the University of Nevada School of Medicine in Las Vegas.
